

## Battery Disposal Information

---

**Always dispose of used or spent batteries properly.**

Spent batteries from APC uninterruptible power supplies should be placed in the packaging provided with the new APC replacement battery cartridge (RBC<sup>®</sup>).

Return the spent battery to an appropriate facility for proper disposal and recycling.

Refer to the Web site <http://www.apc.com/recycle>, for battery disposal facility locations.

Refer to the Web site <http://www.apc.com/contact/index.cfm>, for general APC information.
